SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31.03.2021

To,
The Members,
Datasoft Application Software (India) Limited,

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Datasoft Application Software (India) Limited. (herein after called the company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the Datasoft Application Software (India) Limited's books, papers, minutes book, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minutes book, forms and returns filed and other records maintained by Datasoft Application Software (India) Limited ("the Company") for the financial year ended on 31st March, 2021 according to the provisions of:

- 1) The Companies Act, 2013 (the Act) and the rules made thereunder;
- 2) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- 3) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- 4) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; **(No instance for compliance requirements during the year);**

- 5) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
- a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011. **(No instance for compliance requirements during the year);**
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - e) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014, **(No instance for compliance requirements during the year);**
 - f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **(No instance for compliance requirements during the year);**
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009, **(No instance for compliance requirements during the year);**
 - h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998, **(No instance for compliance requirements during the year);** and

We have also examined compliance with the applicable clauses:

1. Listing Agreements entered into by the Company with Bombay Stock Exchange (BSE Limited);
2. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
3. The Secretarial Standards issued by The Institute of Company Secretaries of India

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, clauses, Standards, etc. mentioned above, subject to the following observations:

1. Rule 10 of Companies (Management and Administration) Rules, 2014 was not complied by the Company which requires every listed company to give advertisement for Closure of register of members in at least one vernacular newspaper in the principal vernacular language of the district and having a wide

circulation in the place where the registered office of the company is situated, and at least one in English language in an English newspaper circulating in that district and having wide circulation in the place where the registered office of the company is situated.

2. Rule 20 (3) (v) of Companies (Management and Administration) Rules, 2014 was not complied by the Company which requires the Company to publish the Notice of E-voting in at least one vernacular newspaper in the principal vernacular language of the district in which the registered office of the company is situated and at least once in English language in an English Newspaper having a wide circulation in that district.

INDEPENDENT AUDITOR'S REPORT

To the Members of Datasoft Application Software (India) Limited

Report on the Audit of the IND AS Financial Statements

Opinion

We have audited the accompanying financial statements of **Datasoft Application Software (India) Limited ("the Company")**, which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021; and its loss including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion:

We have conducted the audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of the report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the financial year ended March 31, 2021. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditors' responsibilities for the audit of the Financial Statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Financial Statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Financial Statements.

Key Audit Matters	Principal Audit Procedures
<p><i>Intercorporate Loan, Interest accrued thereon and impairment:</i> The Company had given intercorporate loan to one party in earlier years. Total outstanding principal and interest receivable as on 31st March 2021 is Rs. 15,00,000 and Rs. 63,21,394 respectively. During the current year, the company has received Rs.50,00,000 from the party. Total provision made against these recoverable is Rs. 31,60,000 as on 31st March 2021. We have identified this as a Key Audit Matter since the loan including interest thereon is long outstanding.</p>	<p>Our audit procedure on Intercorporate Loan, Interest accrued and impairment, included:</p> <ul style="list-style-type: none"> - Understanding and evaluating the design and testing the operating effectiveness of controls in respect of expected credit loss provision - Assessing the appropriateness of the credit loss provisioning methodology used by the management, which involves the use of historical trends such as cash collection, performance of the current year against historical trends and the level of credit loss over time. <p>Based on the above procedures performed, we did not find any significant exceptions to the ECL provision</p>

Other Matter

On account of partial lockdown situation and also from the logistics and safety perspective due to covid pandemic, the audit processes were carried out based on the remote access and necessary records were made available by the Company through digital medium.

Information Other than the Financial Statement and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (IND AS) specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015 as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate

accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing (SAs) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Further, as part of an audit in accordance with standards on auditing, the auditor exercises professional judgment and maintains professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

ANNEXURE-B TO AUDITORS' REPORT

(Referred to in paragraph 2(f) of 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Datarsoft Application Software (India) Limited ("the Company") as on March 31, 2021 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants in India ('ICAI').

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of errors and frauds, the accuracy and completeness of accounting records, and timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent possible to an audit of internal financial controls both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls system over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend upon the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence that we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions recorded as necessary to permit preparation of Financial Statements in accordance with the generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material aspects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Significant accounting policies and other explanatory information for the year ended March 31 , 2021

Note 1: Corporate information

Company is engaged in providing Software consultancy services.

The Company was incorporated on 2nd June, 1992. The Company has its registered office at 442, Blue Rose Industrial Estate, Western Express Highway, Borivali (East), Mumbai 400066.

The financial statements of the Company for the year ended 31st March 2021 were approved and adopted by board of directors of the Company in their meeting held on 3rd June, 2021.

Note 2: Significant accounting policies

1. BASIS OF PREPARATION:

The financial statements have been prepared to comply in all material aspects with the Indian Accounting Standards (Ind AS) notified under Section 133 of Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Companies Act, 2013 and rules framed there under and guidelines issued by the Securities and Exchange Board of India (SEBI).

The financial Statements have been prepared under the historical cost convention and on accrual basis, except for certain financial assets and liabilities measured at fair value as required by relevant Ind AS.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Current and non-current classification: Assets and liabilities are classified as current if it is expected to realize or settle within 12 months after the balance sheet date. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2. USE OF ESTIMATES:

The preparation of Financial Statements in conformity with Ind AS which requires management to make estimates, assumptions and exercise judgement in applying the accounting policies that affect the reported amount of assets, liabilities and disclosure of contingent liabilities at the date of financial statements and the reported amounts of income and expenses during the year.

The Management believes that these estimates are prudent and reasonable and are based upon the Management's best knowledge of current events and actions. Actual results could differ from these estimates and differences between actual results and estimates are recognised in the periods in which the results are known or materialized.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

Significant accounting policies and other explanatory information for the year ended March 31 , 2021

3. REVENUE RECOGNITION:

Revenue from services is recognized based on time and material and billed to the clients as per the terms of the contract. In the case of fixed price contracts, revenue is recognized on periodical basis based on units executed and delivered.

Interest income for all debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options).

4. FINANCIAL INSTRUMENTS:

Financial assets and liabilities are recognised when the company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial assets or financial liability.

Subsequent measurement of debt instruments depends on the company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the company classifies its debt instruments, amortised costs, fair value through other comprehensive income or fair value through profit and loss account.

Subsequently all financial liabilities are measured at amortized cost using the effective interest rate method

(I) Financial assets

Classification

The company classifies its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The company reclassifies debt investments when and only when its business model for managing those assets changes.

Significant accounting policies and other explanatory information for the year ended March 31 , 2021

De-recognition of financial assets

A financial asset is de-recognised only when

- The company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Cash and Cash Equivalents:

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash at bank, in hand (including cheques in hand) and short term investment with an original maturity of three months or less.

(II) Financial liabilities

Borrowings and other financial liabilities are initially recognised at fair value (net of transaction costs incurred). Difference between the fair value and the transaction proceeds on initial is recognised as an asset / liability based on the underlying reason for the difference.

De-recognition of financial liabilities

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss. The gain / loss is recognised in other equity in case of transaction with shareholders.

5. IMPAIRMENT OF ASSETS:

At the end of each reporting period, the company determines whether a provision should be made for the impairment loss on fixed assets by considering the indications that an impairment loss may have occurred based on internal and external factors. An asset is classified as impaired, when the carrying value of assets exceeds its recoverable value. An impairment loss is charged to Profit and Loss account in the period in which, an asset is classified as impaired. The impairment loss recognized in the earlier accounting period is reversed if there has been a change in the estimate of recoverable amount.

6. PROVISION FOR CURRENT AND DEFERRED TAX:

Provision for current tax is made after taking in to consideration benefits admissible under the provisions of the Income Tax Act, 1961.

Deferred tax resulting from “timing difference” between book and taxable profit is accounted for using the tax rates and laws that have been enacted or substantively enacted as on the balance sheet date. The deferred tax asset is recognized and carried forward only to the extent that there is a reasonable certainty that the asset will be realized in the future.

7. EARNING PER SHARE:

In determining earning per share, the company considers the net profit after tax and includes the post tax effect of any extra ordinary items. The number of shares used in computing basic earning per share is weighted average number of shares outstanding during the period. The number of shares used in computing diluted earning per share comprises the weighted average

Significant accounting policies and other explanatory information for the year ended March 31 , 2021

shares considered for deriving basic earning per share, and also the weighted average number of equity shares that could have been issued on the conversion of all dilutive potential equity shares.

8. CONTINGENCIES & PROVISIONS:

A provision is recognised when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources embodying economic benefit will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. A contingent liability is disclosed, unless the possibility of an outflow of resources embodying the economic benefit is remote.

Cash and cash equivalents		884		62
Interest Accrued on Intercompany Deposit		3,161		2,666
Financial Liabilities - Current				
Borrowings		300		1,945
Other current financial liabilities		167		158

I. Fair value hierarchy

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. For example, listed equity instruments that have quoted market price.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

II. Valuation techniques used to determine fair value

Significant valuation techniques used to value financial instruments include:

The fair values for loans are based on discounted cash flows using a discount rate determined considering the yield on three years Government of India bonds.

III. Assets and liabilities which are measured at amortised cost for which present values are disclosed (It is categorised under Level 2 of fair value hierarchy)

(Rs. in '000)

Particulars	31 March 2021		31 March 2020	
	Fair Value	Carrying amount	Fair Value	Carrying amount
Financial Assets - Non-current				
Loans		1,500		7,000
Financial Assets - Current				
Trade receivables		166		648
Cash and cash equivalents		884		62
Interest Accrued on Intercompany Deposit		3,161		2,666
Financial Liabilities - Non-current				
Borrowings		300		1,945
Other current financial liabilities		167		158

During the periods mentioned above, there have been no transfers amongst the levels of hierarchy.

The carrying amounts of trade receivables, cash and bank balances, trade payables, current borrowings and other current financial liabilities are considered to be approximately equal to the fair value. A provision for expected credit loss of Rs 31,60,000 (P.Y. Rs. 27,00,000) receivable towards interest on loan has been provided for.

19 Financial risk management

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations. The Company is exposed to credit risk, market risk and liquidity risk. The Company's senior management oversees the management of these risks.

Credit risk

The company is exposed to credit risk from its operating activities (primarily for trade receivables) and from its financing activities (other financial instruments).

Credit risk management

To manage credit risk, the Company follows a policy of providing 90 days credit to the domestic customers. However, the trade receivables are monitored on a periodic basis for assessing any significant risk of non-recoverability of dues and provision is created accordingly.

Company has provided unsecured loan to parties and thus have kept the exposure open.

Bank balances are held with only high rated banks and majority of other security deposits are placed majorly with government agencies.

B Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. For the Company, liquidity risk arises from obligations on account of financial liabilities – trade payables and other financial liabilities.

Liquidity risk management

The Company's Senior Management is responsible for liquidity and funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management.

C Market Risk

(i) Price risk

Price risk is the risk that changes in the market prices- such as foreign exchange rates, interest rates and equity prices- will affect the Company's income or the values of its holding of financial instruments. We are exposed to market risk primarily related to non current loans. Company has kept the exposure open.

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or the future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. Company has no such exposures.

Foreign currency risk management

No mitigation plan is required in this regard.
